

SPORTSKIDS

Of The MONTH

We're looking for the ultimate youth athletes who do it all - on and off the field. If you know a kid who excels in sports, does well in school and gives back to the community, tell us. Each month we'll pick four kids to appear on SIKIDS.com and in SI Kids magazine. All submissions will be considered for our 2010 SportsKid of the Year, who will be featured on the cover of a future issue.

Go to www.sikids.com to register your child or someone you know. Click on Contest for the on-line registration form.

Good Luck!
