**Play Centers, Inc. Emergency Closing Policy –
Baltimore County Public Schools**

Play Centers, Inc. in Baltimore County Public Schools typically follow the schedule of Baltimore County Public Schools regarding most school closings. However, it has become necessary to include an “emergency closing” policy for unexpected situations such as utility outages (i.e. power, water, etc.) as well as other extreme emergencies. No refunds will be issued for any of these days. In the event of these types of school closings, Play Centers in Baltimore County Public Schools will adhere to the following:

1. If an individual school or the entire school system is closed due to a utility outage or other extenuating circumstances, Play Centers will be closed.
2. If an individual school or the entire school system closes early due to a utility outage or other extenuating circumstances, Play Centers will be closed.

As a reminder, Play Centers’ inclement weather policy is as follows:

1. When Baltimore County Public Schools are closed, Play Centers is also closed. An Inclement Weather Program is offered at our Hunt Valley location on a first come-first served basis. Spaces are limited. This program is available at an additional fee and children must be pre-registered to attend.
2. If there is a delay in the opening of schools, the Play Centers’ Before School Program will not operate on that day.
3. If there is an unscheduled early dismissal due to inclement weather, the Play Centers’ After School Program will not operate on that day.
4. If Baltimore County Public Schools’ afternoon and evening activities/programs are cancelled, Play Centers is not permitted to open or operate our afternoon program on that day.

I have read and understand the Play Centers, Inc. policy regarding emergency closings in Baltimore County Public Schools.
