

## Make Your Own Pinwheel Garden

Thank you for your interest in The Family Tree's *Stand for Children – Pinwheels for Prevention* campaign. The goal of this effort is to demonstrate the roll each of us can play in building strong families and communities. Do your part by building a pinwheel garden at your home, school, community, or neighborhood. Contact The Family Tree at 410-889-2300 for more information or if you have any questions.

Here are five easy steps to build your Pinwheel Garden:

- *Find a Fun Location* – find a good, safe location where there is a lot of traffic.
- *Build Your Pinwheels* – Use our simple template to make your own pinwheel. Be creative. Make them bright and fun. If you do not want to make the pinwheels, visit [www.standforchildrenmd.org](http://www.standforchildrenmd.org) to purchase them.
- *Download Signage* – download the attached Sign to let everyone know why you are doing this.
- *Spread the Word* – email friends and family and ask them to come see your garden. Let us know so we can add it to our list of Pinwheel events.
- *Capture the fun!* – take photos of your garden and email them to The Family Tree at [development@familytreemd.org](mailto:development@familytreemd.org) so we can upload them in our photo gallery.
